Hi Sherry. As of now, we are not making any changes to our website. Instead, we are making the changes to our contractors website. I will let you know if that changes.

Hi Sherry.

We need to make a revision to our public notice website for Kampachi Farms? We need to add a few sentences about the public hearing speaking spots reaching the maximum limit and that we are reducing the speaking time for all commenters. Can you tell me the process for the making the change? Can any revision be posted tomorrow? Thanks
